Work Package Approach

• Five work-packages + overall evaluation
• Reflect main implementation focus
• Self-contained but Integrated
• System vs. subsystem
• Formative and summative
Overall Question

Is the organisational culture and practice of Tusla and its partners changing such that services are more integrated, preventative, evidence informed and inclusive of children and parents? If so, is this contributing to improved outcomes for children and their families?
Overall Evaluation - Themes

- Change
- Outcomes and process focused
- System change / development
- Culture and climate
- Structures
- Roles
- Processes
- Capacity-building
Conceptual Framework

Outcomes

• Prevention and Early Intervention are embedded in culture and practice
• Services are more:
  • Integrated;
  • Preventative;
  • Evidence informed;
  • Inclusive of children and parents.
• Improved outcomes for children and their families.
